		Wittneses Tho: Parsons: Robert Vinor The marke of John Jones			
Overleaf					

Latin				
-------	--	--	--	--

Transcriber's Notes – Transcribed by Sara-Jayne Boughton. Original spelling preserved. No overleaf or Latin present. Preamble moved to reflect position on page in relation to the rest of the text. A square bracket with a question on the possible use of a 'h' is on line 34, this is an educated guess on the letter, the rest of the word is clear.
