Volunteer Activity County by County – January 2013

* In counties where work has been completed, there is the possibility of contributing to revision of the original history or, when funds become available, of helping create an additional volume on the 20th-century history of the county.

** Where work in a county is incomplete, we hope to start some work in the not too distant future.

For more information, contact VCH Central Office

elizabeth.williamson@sas.ac.uk or matthew.bristow@sas.ac.uk.
